

Provision of Electric Services to the RFA (various sites)

Procurement Reference No: NCS/ONB/RFA -03/2022

Notice to Bidders No. 3

This Notice to Bidders No. 3 forms an integral part of the bid NCS/ONB/RFA -03/2022 documents and takes precedence.

Bidders are required to acknowledge receipt of this Notice to Tenderers No. 3 in writing on the attached Acknowledgement of Receipt form via sending an email to procurement@rfanam.com.na.

NOTE:

- a. Bidders are reminded as per notice posted on the RFA website, that this bid will close by no later than **11H00 on Tuesday, 25th April 2023**.
- b. This notice serves as a clarification of the questions received from potential bidders at the bid clarification meeting, which was held on 14th March 2023, as well as subsequent requests for clarification received thereafter via email.
- c. Note further, that after receipt of **Notice to Bidders No. 3**, some bidders who have already submitted their bids into the RFA bid box, may wish to collect those bids for amendments/modification, however, said modifications are subject to **Section 48 of the Public Procurement Act (Act 15 of 2015)**, which provides that a bidder may modify, substitute, or withdraw its bid after submission, where the written notice of the modification, substitution or withdrawal is received by the public entity before the deadline for the submission of bids (namely, before 11H00 on Tuesday, 25th April 2023).
- d. **NB: A signed copy of this notice must be attached to the technical proposal which you submit on the closing day of this bid.**

QUESTIONS:

Question 1

What document to be used for domicile?

RFA Response

Documents such as, municipal bill from that specific town, municipal fitness certificate from the respective town and/or settlement area.

Question 2

Additional requirements on page 30, under Section III, Evaluation Criteria, mandatory check list table, are mandatory?

RFA Response

The items listed as “Additional requirements” under the mandatory table are not mandatory. Meaning that they are not considered disqualification.

They do however carry technical evaluation points/ scores. More specifically Point 10 of the reference letters.

Question 3

What are the minimum reference letters?

RFA Response

For **Lot A** minimum 5 reference letters for the period of (2016 -2023)

Further, the reference letters must indicate the number of years with similar works. The years are accumulative from the letters submitted.

For **Lot B** minimum 3 reference letters for the period of (2016 -2023)

Further, the reference letters must indicate the number of years with similar works. The years are accumulative from the letters submitted.

Question 4

How many copies of bid document to be submitted? One (1) or Three (3)?

RFA Response

Kindly submit one (1) original bid document, as well as three (3) copies. This is an ONB, meaning that the Technical and Financial are one holistic document.

Question 5

Wireman's license and certification from NamPower. Is it for company or employee?

RFA Response

Bidders are expected to provide a certified copy of a **wireman's license for the person who will be conducting and/or supervising the installation**, bidders must also provide proof that he/she is employed by the bidder, or is subcontracted by the bidder.

Please refer to Section III - Evaluation Criteria, a table under mandatory checklist point 8 in the table.

Bidder must provide a certified copy of registration with **NamPower**, that bidder is an electrical contractor, or that the person conducting or supervising the installation is registered as a service provider for electrical services. Alternatively, if the business entity itself is certified by NamPower, proof thereof must be provided by way of a certified copy of said certification.

Question 6

Kindly please provide us with the Electronic Bill of Quantities for PROCUREMENT REFERENCE: NCS/ONB/RFA-04/2022

RFA Response

There is no Bill of Quantity (BOQ) for the purposes of this procurement. The RFA aims to contract a service provider for an extended period with the aim to provide electrical installations and maintenance works for the determined period, the BOQ for specified works will be provided as and when the services are needed. Bidders are requested to take note that said services will be required either for future service aimed at planned maintenance, emergency situations and/or ad hoc requests for twenty (20) various RFA sites across the country.
